Terms and conditions of Hire

1. The customer agrees to accept full responsibility of equipment listed on Hire Agreement ensuring that equipment is returned to WIS in good repair and operational condition
2. The customer agrees to operate all WIS equipment in a safe manner at all times
3. If any equipment covered under the Hire agreement between WIS and the client is not returned to WIS or is returned in a manner deemed by WIS as un-operational, the client will be liable for hire costs until the either the equipment is returned in an operational state or a replacement charge to the client is determined by WIS
4. It is the responsibility of the client to ensure that any foreign material (ants, water etc.) is removed from the equipment prior to returning items to WIS. If damage occurs to equipment clause 3 applies
5. Insurance of the equipment while on hire is the responsibility of the client named in the hire agreement
6. The Owner warrants that at time of hire the provided equipment is checked and operational at commencement of hire agreement. No warranty is given to battery life under operational conditions
7. Security of equipment while in operation is the responsibility of the client. WIS specifies that the minimum security requirement under this contract is for equipment to be secured with the use of locks and chains. The client is to take further steps to ensure security where appropriate
8. The WIS does not accept any responsibility for damages of any description or loss of data of any description resulting in the use of equipment by the customer
9. In no event regardless of circumstance does the owner warrant the suitability of equipment for the customer's application or be liable for damages from such use
10. Payment schedule unless agreed on between WIS and the client:
Daily and Weekly Hire: Payment must be made at the time of pick up or prior to dispatch
Long term/ Monthly Hire: Payment for the first month of Hire to be made at time of pick up or prior to dispatch. Any month thereafter, full month payment must be made on the same date each month that the agreement has commenced
